

Conclusion

Because the present claims comply with the requirements of 35 U.S.C. §112, reconsideration and allowance of the present application are requested.

Respectfully submitted,
Donald Forkner

A GENUINE MERRIAM-WEBSTER

The name *Webster* alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary buyer.

Merriam-Webster™ is the name you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.
